

Participant Grant Application Form

We aim to make Sprout as accessible as possible by providing financial support to participants who require assistance. When you apply for Sprout, you can apply for a participant grant of \$50 - \$250 to directly offset your program fee. Your participant grant form must be submitted with your application.

Sprout can make these student grants available thanks to the generous support of our sponsors. If you have any questions or comments, feel free to contact us at sprout@takingitglobal.org.
